

De's Dazzles – Be Mine Valentine

Recently I was looking at some vintage Valentine's Day Cards like the ones I remember receiving in elementary school. Our classes would spend an afternoon turning shoeboxes into beautiful master pieces of art for our personal mailboxes. It was so exciting to sneak your mail into your classmates' mailboxes. Valentine's Day afternoon P-A-R-T-Y-T-I-M-E! We were finally allowed to talk in the classroom, we could break from the rules, make messes, and gobble down those little colorful heart candies that spoke of hope and friendships, with sayings like "be mine"!

Just for the *record* Valentine, we are moving ahead with scheduling shows and fully open for business, rentals, and tours. Contracts have been signed with TwoFacesWest (blues, rock group) for July; Carol Montag (Joni Mitchell, Joan Baez, and Judy Collins Tribute) in August; Pistols & Lace (country female stars) in September! Follow us on Facebook and our website for the latest details on all upcoming events. Plus, we are having AMONG US birthday parties for 8-year-old and up for 6 to 12 kids. Prices vary, so call 641-418-8037 for information. *This is music to our ears!*

Valentine, we aren't *fiddling with your heart*...on 2-22-22 we will be having some great specials on Facebook about upcoming shows! *Just tooting our own horn as we can make beautiful music together!*

Here are the keys to the opera house's heart...We can't imagine a world without YOU being in the building! When it is locked up and dark, it's pretty dreary in here. When you gather, whether it be a class reunion, wedding, business meeting, concert, you bring the sunshine in! Happy Days are here again! So, we want to broadcast...you are a big hit with us!
